Comments:

Thanks to Bill Lloyd and Colin Baldwin from the Southport CC for assisting with the Finish timekeeping and "holding-up" respectively. Thanks to Paul Olson (Merseyside Wheelers) for acting as Start Timekeeper. Thanks also go to other members of the Merseyside Wheelers who came out and assisted at this event.

Congratulations to Michael Ashurst for winning once again and to 2nd placed Phil Williams who improved on his last year's time.

The fastest female was once again Louise Hogg who improved on her time.

Quite a few of those who rode last year also rode this year, many of whom have shown improvements so congratulations to them and thanks to all who rode this year.

John Clarke

Chairman (Merseyside Wheelers)
