

Dolan Youth Races 2017

Information for Riders and Parents

The following information and listed files are important for the safety and good organisation of the event. The files are available to download on the web site at <http://southportcyclingclub.co.uk/dolan-race-series-2017/>

General Information

The map of the circuit shows the route to be used between the race circuit and the HQ. The gate on Rotten Row will be closed during the races. Parking on Rotten Row is limited to one hour and you **WILL** get a ticket if you park there. The car park location is shown on the circuit map.

If you are bringing a “gazebo” or other equipment which requires you to access the circuit area with a vehicle please ensure that your vehicle(s) are removed from the circuit by 8.50.am. The Organiser’s vehicles may still be on the circuit at this time preparing the circuit for use.

Rider Information

You must “Sign On” at the Race HQ to race. Signing on closes half an hour before your first race is due to start.

Please make sure you bring your helmet – **No helmet – No ride.**

Any rider removing both hands from the bars at any time during a race will be disqualified.

The Commissaires have asked the organiser to remind riders on the grounds of safety to everyone, not to ride the circuit in opposite direction to the racing in the events i.e. not in anti clockwise direction at any time during the day at Victoria Park.

Any riders found to be doing this especially just before the start of their event will be placed on the back row at the start line or even could be disqualified from riding their races.

British Cycling confirms that laps out are not permitted in circuit races.

The change has been ratified by the Technical Commission and approved by the BC Board and applies with immediate effect.
